SETTING
The student is spending a week in Lisbon for work. He brought his laptop for this

STORY PREMISE
Shortly after arriving at the hotel, the student discovers that
his/her backpack has disappeared. The backpack contains a laptop with information she/he needs for his/her job.
The student asks the hotel receptionist for help, retraces their steps,
visits a café, talks to a taxi driver and eventually discovers
that another traveler accidentally took the backpack.

MAIN PERSONAS
- Sofia – Hotel receptionist
- Miguel – cafe employee
- Rui – taxi driver
- Emma – another traveler

NUMBER OF SCENES:4

INITIAL ADVENTURE INFORMATION TO THE STUDENT:

You just arrived at Lisbon airport in the early evening and a friendly colleague you know for years, picks you up. You agree with him to go for a drink in a bar. After

CLIFFHANGER (optional)
The backpack is recovered, but inside it the student discovers
something unexpected that introduces the next adventure.

SCENE 2

SCENE ID: <Will be provided by the system>

TITLE: The Café

LOCATION Small café near Rossio station, Lisbon

PERSONAS Miguel – café employee

STARTING SITUATION The student enters the café where they had breakfast earlier. They want to find out whether somebody found their backpack.

STORY OBJECTIVE The student discovers that Miguel saw somebody leaving the café with a backpack matching the description.

STUDENT OBJECTIVE Ask Miguel whether he has seen the backpack.

LANGUAGE OBJECTIVES

- Describing objects
- Colors
- Possessives
- Asking "Have you seen...?"
- Basic past-tense exposure

TARGET VOCABULARY: mochila preta grande pequena ontem viu mesa, perder

TARGET GRAMMER: voce viu, eu vi

INITIAL SCENE INFORMATION TO THE STUDENT:

You enter the

MUST HAPPEN

- Miguel remembers the student.

- Miguel did not find the backpack.

- He saw another traveller carrying a similar backpack.

- The traveller left in a taxi.

MAY HAPPEN

- Student orders coffee.

- Miguel asks what the backpack looks like.

- Student asks other questions about the café.

- Miguel makes small talk.

MUST NOT HAPPEN

- Miguel knows who took the backpack.
- Miguel knows where the traveler went.
- The backpack is found in this scene.
- Miguel leaves the cafe with the student.

SCENE STEPS:

STEP 1: Greeting, Miguel indicates that he remembers the student

STEP 2: Make some small talk with student, ask him basic questions

STEP 3: If the student does not start to talk about his missing backpack, Miguel ask how can I help you?

STEP 4: Make sure that the student ask for his help to find his/her missing backpack. Any other topic should be cut quite short and the focus should be brought back on Miguel's help to the student

STEP 5: Miguel asks the student to describe the backpack and ask what's inside the backpack

STEP 6: Miguel tells he found a backpack that was left behind yesterday, but that is not right one as this backpack has a different color and does not contain a laptop

STEP 7: Suddenly Miguel seems to remember that he saw a customer leaving with the backback that matches the description and that, by chance, he knows the taxi-driver that picked-up this customer.

STEP 8: Miguel talks shortly with the taxi-driver who is in the neighborhood. The taxi-driver will come to the cafe to talk to the student.

Text at the end of the scene

A clear phrase that explains how the adventure will continue into the next scene

EXIT INFORMATION The Student knows:

- another traveler had a similar backpack;

- the traveller left the café;
- the traveller entered a taxi.

NEXT SCENE ADV_001_SC_003 – The Taxi Driver
